POS Solutions

Countertop

Countertop terminals sit right on your counter. Ideal for retail businesses that prefer a static check out

Mobile GPRS

Wireless terminals that accept payments wherever your customers are

mPOS

mPOS terminals are the most adaptable, secure and innovative wireless devices offering organizations and businesses of all sizes a next generation mobile payment solution. They do not come with a built-in printer but rather send the transaction receipt to the cardholder via SMS.

Apply and Start Accepting Cards

We make the procedure easy for you and with **no extra cost**. We will be happy to answer to any question you may have and help you choose the most suitable solution for your business.
